# COILMASTER JUNIOR

## Semi-Automatic Spiral Inserting Machine

The Coilmaster Junior is the latest offering in the line of automatic spiral binding machines.

It inserts the plastic spiral, then cuts and crimps.

This table spiral spiral inserter is affordable and can bind books with spirals from 8mm to 25mm, with speeds of up to 600 books per hour.

The Coilmaster Junior accommodates various pitches and round or oval holes.

The set up is easy on the colour touch screen.
